A message from Ballad Health Corporate
Emergency Operations Center (CEOC)

TO: Ballad Health All

FROM: Ballad Health Corporate Emergency Operations Center (CEOC)

DATE: Dec. 30, 2020

TITLE: Ballad Health COVID vaccine available to all team members, POD Schedule || January 2021

ACTION: Please read this schedule and post in team member areas. Dates/times are subject to change.

Receiving the COVID-19 vaccine is encouraged and free of charge for all team members.

While highest priority for the COVID-19 vaccine was initially given to hospital-based frontline healthcare workers with direct patient exposure, it has been recognized that due to the importance of continuation of operations at hospitals and other care sites, and with the amount of repurposing of staff which has had to be done, **all Ballad Health team members are eligible for the vaccine.** This includes all medical staff members, team members, volunteers who are working in the hospitals (especially if they are over the age of 75), members of critical governance structures and our outsourced services including Ensemble and Morrison Healthcare.

Important reminders:

- Check with your designated POD facility to view their weekly vaccination schedule.
- Drop-in for vaccination is at your convenience; no appointment is necessary.
- Please bring your Ballad Health badge, wear a mask and plan to wait for at least 15 minutes following your vaccine to be observed.
- You will have to return to that same POD 21 days later (Pfizer) and 28 days later (Moderna) for your second dose of the vaccine so plan accordingly.
