

Look around and you'll see great work everywhere at Ballad Health!

With so many great things happening around us every day, Ballad Health has a way to provide recognition to all team members. Visit the ACTS of service appreciation where anyone can send someone an eCard or leaders can nominate a team member for an award.

Ballad Health values are the foundation of the work we do every day and the ACTS of service eCards or award nominations allow you to recognize the work team members do that exhibit these values: Caring, Creativity, Faith, Honesty, Quality, and Respect.

Here's how:

1. Go to the Ballad Health intranet
2. Visit quick links on the left side
3. Click on ACTS of service which will be the first link listed
4. Use your team member number as your username
5. Select the forgot password link if this is the first time using the APP or if you forgot

So, take a few minutes today to recognize teamwork, excellence, innovation, and bright ideas when you see these things happening around you!
