How do I register, and what is the cost?

- Visit etsu.cloud-cme.com/default.aspx
- Providers: \$60
- Ballad Health team members: \$50
- Residents/unlicensed students: \$50

At the 18th annual Cardiovascular Summit, local and national cardiovascular leaders will address the latest recommendations in the diagnosis, treatment and management of cardiovascular disease.

Who should attend? Physicians, physician assistants, nurse practitioners, medical residents, registered nurses, radiologic technologists and other health professionals will benefit from the summit.

What topics will be covered? Our experts will speak on a wide range of topics that impact cardiovascular care, advancements in research and the health care industry.

Objectives include:

- Discuss how mitral regurgitation patients can present in a primary care setting
- Compare the advantages and limitations of robotic cardiovascular surgery
- Review a CTA initial evaluation of chest pain
- Compare relative risk of thoracic endograft vs open vascular surgery
- Identify the types of Acute Coronary Syndromes and explain the most prominent risk factors associated
- Describe the expanded patient inclusion criteria for TAVR

ACCME Accreditation: This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Quillen College of Medicine, East Tennessee State University and Ballad Health. The Quillen College of Medicine, East Tennessee State University is accredited by the ACCME to provide continuing medical education for physicians.

CME Credit: Quillen College of Medicine, East Tennessee State University designates this live activity for a maximum of 7.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Ballad Health is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

ASRT credits are being pursued.
ETSU is an AA/EEO employer.
