Niswonger Children's Hospital Spooky Trail

Thursday, Oct. 31 | 11 a.m.–2 p.m.

Join the Halloween fun at Niswonger Children's Hospital! We invite all Ballad Health team members to dress up and participate in our new and improved Spooky Trail!

This is a safe, indoor event that allows for all of our pediatric patients to have to opportunity to Trick-or-Treat, despite being in the hospital on Halloween. Please dress up in a fun Halloween costume and help us spread joy to our patients.

Check in at the table in front of Timmy's playroom on the first floor. Following check-in, team members, as groups or individuals, will make their way room to room starting with St. Jude clinic, the Pediatric Floor then PICU. Patients will have a bag hanging from their door, please drop off a treat in each bag. You may pause for pictures, but we ask that you do not go into the rooms.

Suggested treats:

- Since many patients may not be able to have candy; stickers, pencils, bubbles, activity kits, and play-doh also make great treats!
- If you provide candy or treats, please make sure that all food items are store bought and individually wrapped from the manufacturer.
- Please do not forget options for diabetic patients and young children (infants/toddlers).

RSVP to our Child Life team by emailing **ashley.scharf@balladhealth.org** by Monday, Oct. 23. Please include how many will be in your group, what you plan to dress up as, and which of the following time slots you prefer: 11 a.m., 12:30 p.m. or 1:30 p.m.
